# Welcome to The Beatles Story.

**The Beatles Story is one of Liverpool's most sought-after venues and the perfect location for your corporate event or private party. The award-winning leading Liverpool exhibition is devoted to telling the story of the world's greatest band.**

Located in the Fab Four's hometown of Liverpool, on the waterfront at the Royal Albert Dock, visitors take an immersive journey through the lives and times of The Beatles. Visit recreations of key locations from the band's career including Hamburg, The Cavern Club, Abbey Road Studios, America and more.

A must for any music fan, The Beatles Story features an impressive collection of memorabilia including original instruments, clothing, John Lennon's spectacles, Ringo Starr's drum kit, rare album sleeves, never-before-seen photography and original handwritten lyrics.

Multi-media guides, available in twelve different languages and exclusively narrated by John Lennon's sister, Julia, are packed with facts, imagery, and feature video interviews with Paul McCartney and Ringo Starr, giving a unique insight into the story of Liverpool's famous sons.

Whether you want to impress your guests with a drinks reception, entertain with a private view of our outstanding attraction or immerse your guests in the swinging sixties party atmosphere - complete with a Beatles tribute band, 'We can work it out'!

Our atmospheric replica Cavern Club makes for a stunning venue, taking your guests back in time for an evocative, memorable taste of the swinging 60s.

With a variety of unique settings for your event we can tailor packages to suit your individual requirements.
